

2009  
**GOLD WING/ABS**

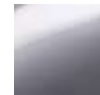

*How do you improve on  
perfection? Meet the  
2009 Gold Wing.*

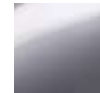

**GOLD WING** Every fleet has its flagship, that one vessel hailed as the standard-bearer for the line. At Honda, this would be the Gold Wing®, where power, sporting performance and long-range luxury converge harmoniously to create the greatest touring bike ever made. And since variety is the spice of road trip life, we offer four different performance options with features like Premium Audio, Comfort, XM radio, Navigation, a new Time Pressure Monitoring System, Anti-lock Brakes (ABS) and even one version with an airbag. And all that's in addition to the Gold Wing's integrated luggage and legendary engine. Get ready for the ride of your life!

**The 2009 Honda Gold Wing is available with four new option packages:**

- Premium Audio, Comfort and our new Tire Pressure Monitoring System (TPMS)
- Premium Audio, Comfort, TPMS, XM Radio and Navigation
- Premium Audio, Comfort, TPMS, XM Radio, Navigation and Anti-lock Brakes (ABS)
- Premium Audio, Comfort, TPMS, XM Radio, Navigation, ABS and our exclusive Airbag

## UNIQUE FEATURES

- Powerful, fuel-injected 1832cc six-cylinder engine produces the kind of smooth power and abundant torque touring riders need.
- Twin-spar aluminum frame is the key to the Gold Wing's impeccable handling, and features our unique Pro Arm® rear suspension.
- Dual full-floating 296mm front discs with Linked Braking System™ (LBS™) three-piston calipers and a single ventilated 316mm rear disc with one LBS three-piston caliper provide excellent braking power. An ABS version is also available.
- Slow-speed, electric Reverse system is engaged with the simple push of the thumb control on the right handlebar.
- Lightweight electronic cruise-control system utilizes a 16-bit ECU-controlled, motor-actuated throttle mechanism.
- The Gold Wing's aerodynamic bodywork is functional as well as beautiful, providing excellent rider wind protection while reducing the aerodynamic drag coefficient.
- Tire Pressure Monitoring System (TPMS) alerts you to underinflated tires automatically.
- XM radio feature live-time traffic and weather updates to help you avoid delays on the road.

## UNIQUE FEATURES (continued)

- The Gold Wing trunk provides 60 liters of storage capacity with an additional 5 liters of storage available if the optional CD changer is not installed. Two full-face helmets fit easily in the trunk. The saddlebags provide 40-plus liters of storage each, resulting in a total of 147 liters of storage space.
- Ergonomically designed saddle has a low 29.1-inch seat height and a plush passenger seat with integral backrest and side support for all-day riding comfort.
- Large 6.6-gallon fuel tank houses the Program Fuel Injection (PGM-FI) pump and provides excellent long-distance cruising range.

## SPECIFICATIONS

Model GL1800/GL1800A

### ENGINE

Engine	1832cc liquid-cooled horizontally opposed six-cylinder
Compression Ratio	9.8:1
Induction	Programmed fuel injection (PGM-FI)

### DIMENSIONS

Wheelbase	66.5 inches
Seat Height	29.1 inches
Tires	Front: 130/70R-18 Rear: 180/60R-16
Curb Weight	895-928 lbs., depending on option packages selected Includes all standard equipment, required fluids and a full tank of fuel
Fuel Capacity	6.6 gallons

### DRIVETRAIN

Transmission	Five-speed including overdrive, plus electric reverse
--------------	-------------------------------------------------------

### FACTORY WARRANTY

3 Years	Transferable, unlimited-mileage limited warranty; extended coverage available with a Honda Protection Plan.
---------	-------------------------------------------------------------------------------------------------------------

## ENVIRONMENTAL COMMITMENT

At Honda, we believe in performance and leadership, and that's why we're taking a leadership position when it comes to the environment. We continue to develop low-emission technologies for our current and future motorcycles, ATVs, scooters and personal watercraft. And that's the kind of performance everybody can appreciate.

Always wear a helmet, eye protection and protective clothing whenever you ride. Never ride under the influence of drugs or alcohol, and never use the street as a racetrack. Inspect your motorcycle before riding and read your owner's manual. Log on to the HRCAs website ([hrca.honda.com](http://hrca.honda.com)) concerning reimbursement through the Honda Rider's Club of America for Motorcycle Safety Foundation (MSF) rider training. Obey the law, use common sense, respect the rights of others when you ride, and make sure you have a proper license when riding on public roads. Operating your motorcycle with a modified engine, exhaust system or noise-control system may be illegal.
